

REMEMBERING  
*Leigh Ann*  
1970 - 2020

Leigh Ann Brickey, age 50, of Jefferson City, Mo., passed away Friday, October 16, 2020 at the University of Missouri Hospital.

Leigh Ann was born on October 5, 1970 in Jefferson City, Mo., the daughter of Larry V. and Arleta (Krueger) Brickey.

A lifelong resident of the central Missouri area, Leigh Ann was a 1989 graduate of Jefferson City High School where she enjoyed playing volleyball and being involved with the band. After high school she pursued a career in nursing because of her caring nature. In 1993, she graduated from Lincoln University with a Bachelor's of Science degree in Nursing and received the Helen L. Monroe Award, which is Lincoln's undergraduate nursing excellence award.

Leigh Ann started her career as a Registered Nurse with SSM Health St. Mary's Hospital where she worked for 6 years on the Medical Unit as a Charge Nurse. She moved to the Cardiac Step-Down Unit and "floated" between there and the Surgical and Oncology Units where she gained a broad range of knowledge. Throughout her nursing career, she also worked with breast cancer patients, as an ET nurse with wound care patients, at Allergy and Asthma Associates, and at St. Mary's Surgical Services Department. Leigh Ann's last place of employment was with the state of Missouri in the Cancer and Chronic Disease Division and the Show Me Healthy Women Program where she was the RN Regional Program Coordinator for 29 counties. With this job, she traveled to many clinics to help women get the treatment they needed, and much more.

Leigh Ann had a fun-loving spirit and an outgoing personality

that made anyone enjoy being around her. She enjoyed the thrill of adventure. By age 3, she was on the zip sled at the lake and by age 5, water skiing. She was a contestant on the "Price is Right" Show, made it to the stage of Jay Leno's Tonight Show, and after years of applying for tickets she was able to watch her favorite show "Saturday Night Live" in person. One of her biggest thrills was skydiving multiple times and she even talked a few family members into joining her. Leigh Ann had a passion for both music concerts and traveling, especially to warm weather and sandy beaches. She had a soft place in her heart for all animals and had numerous long-haired dachshunds throughout her life.

Most of all, Leigh Ann always kept her family in the center of her life. She cherished memories made with them at their family cabin on the Lake of the Ozarks, cheering with them at Cardinal games, and watching her nephews and niece play sports. She was a lifelong member of First Presbyterian Church, attending with her family, and loved being part of the church volleyball team.

Survivors include: her parents, Larry and Arleta Brickey of Jefferson City, Mo.; sister, Karen Brickey of Jefferson City, Mo; brother, Keith Brickey (wife, Jeannine) of Centertown, Mo; two nephews, Kalen and Kurtis Brickey; one niece, Krista Brickey; uncle, Dennis Strader of Jefferson City, Mo.; numerous cousins; and her beloved pups, Carter and Riley.

Leigh Ann was preceded in death by her paternal grandparents, Luke and Barcie Brickey; her maternal grandparents, Emil and Tillie Krueger; aunt, Patricia Strader and her son Michael; and aunt, Mabel Mason and her husband Gene.

I’d like the memory of me  
To be a happy one of,  
*smiles*  
when life is done  
I’d like to leave an echo  
Whispering softly down the ways  
Of happy times and laughing times  
**And bright & sunny days**  
I’d like the tears of those who grieve,  
To dry before the sun  
Of *happy memories*  
that I leave  
When life is done

**IN APPRECIATION**

All of Leigh Ann’s family want to express their sincere appreciation for the many comforting thoughts and prayers, floral tributes, food and many acts of kindness extended to each of them during this time.
